## Consent Form

I, \_\_\_\_\_, hereby authorize the recording/recordings of my address(es), presentation(s), and/or teaching(s) (“presentation”), including the use by the Society of American Business Editors and Writers, Inc. (SABEW) of any written materials submitted by me in connection with my presentation, on April 27-29, 2008, at the SABEW Annual Conference.

This authorization includes offering for sale products based on these recordings and/or my presentation in multiple formats, including but not limited to any written materials submitted in connection with my presentation. This is granted with the understanding that SABEW will not assert any copyright or deprive me of any other rights I may have in the material presented. Failure to return this form assumes that SABEW has consent.

By authorizing SABEW to record my presentation, as well as to use any written materials submitted by me in connection with my presentation, at the SABEW Annual Conference, I agree that the encoding, storage, transmission, retransmission, copying, distribution, performance, display or other uses of my presentation, including all written materials submitted in connection with my presentation, will not violate or infringe any right of privacy, personally or publicly, any intellectual property right or any other right of any third party, or result in any tort, injury, damage or harm to any person and that my presentation and any written materials submitted by me in connection with my presentation, will not contain libelous, defamatory, obscene or slanderous material.

I hereby release, remise and forever discharge SABEW and its officers, directors, employees and agents, from any and all liability, losses, claims, or causes of action arising from or related to any recording of my presentation or use by SABEW of my presentation, including but not limited to distribution of products based on such recordings and the use of written materials provided in connection with my presentation.

This authorization is granted to the Society of American Business Editors and Writers, Inc.
